AN ALL-ELEMENTS **HIP-HOP** GATHERING.

Hip-Hop Summit Denver brings MCing, DJing, breaking, and graffiti art together in one free, all-ages event built in Denver, for Denver. A full-day gathering where artists, performers, vendors, families, youth, and longtime hip-hop heads can connect across one event. **It creates a shared home base for Denver hip-hop, where culture, community, small business, and youth creativity can show up together.**

In two years, Hip-Hop Summit has earned recognition as Westword's Best New Hip-Hop Event (2024), landed a FOX31/KWGN Daybreak live segment, and drawn about 500 attendees per year, entirely through grassroots momentum.
